

My Love Life

A young child with brown hair, wearing a yellow t-shirt and blue shorts, is crawling on a light-colored sidewalk. The child is holding a small green toy car in their right hand. The background is a blurred outdoor setting with green foliage and a person in a white shirt visible in the distance.

When I was three,
I fell in love with a Ferrari.
When I was four
My quest grew more.
When I was five,
My dream seemed to be alive.
When I was six,
My dream was fixed.
When I was seven,
Oh my god! I had forgotten.
When I was eight,
I was lost and late.
When I was nine,
Life said it was fine.
When I was ten,
I had it all written.
When I was eleven,
I moved on to german.
When I was twelve,
My life was pretty well. When I was thirteen,
I fell in love with aston martin.

That's how it all started,

Also the same way it
ended.
